

## Summer Fun!

When you think of summer, certain things just come to mind – like fishing, fun with kids, water sports and games, cookouts, and homemade ice cream. All of these and much more were enjoyed by residents, staff, and family members at the recent Twin Lakes Family Fun Day Celebration. The Dunking Booth was definitely a popular attraction with Twin Lakes administrators serving as volunteer dunkees. There was a cake walk, an art show, and a standing room only, fun and entertaining talent show. Members of the TLC Model Yacht Club delighted spectators with their sailing expertise during a morning regatta. The Buddy Blakely Invitational Fishing Tournament was a favorite for young and old alike with the largest catch measuring 16.5 inches! The Alamance Jazz Band entertained folks as they strolled through the courtyard admiring the artwork display showcasing residents' artistic talents. Bingo was the hit for those staying cool in Coble Healthcare. Out-of-the-ordinary entertainment was provided by professional woodcarvers transforming a tree stump into a 10 foot statue of St. Francis of Assisi. Burgers, hot dogs and all the trimmings pleased the hungry palates for lunch, as a perfect summer day ended with assorted flavors of homemade ice cream. Nothing beats summer fun... Twin Lakes style!

## Paula Hall, CFO Chan Chandler and Lanes of Light Receive Top Honors

At the annual conference of *Leading Age NC* at Grove Park Inn, in Asheville, Twin Lakes Community received two statewide honors. Paula Hall, Ward Clerk in Coble Healthcare, was selected among other CNA's, LPN's, and RN's throughout the state to receive the **Nursing Services Employee of the Year Award**.

Twin Lakes Community also received the **Community Service Award** for Lanes of Light, our annual holiday drive-through which has generated over 57,000 pounds of donated food to Loaves & Fishes Christian food ministry.

*Leading Age NC*, formerly NCANPHA, is the state association of not-for-profit providers dedicated to providing quality care, housing, and related services to the senior population.

David Wall, Grounds Director; Kathy Maines, Sr. Director Sales & Marketing; Charles Harris, President/CEO Twin Lakes Community

In other award-winning news, Chan Chandler was selected as a finalist for the **Chief Financial Officer of the Year Award** by the *Piedmont Triad Business Journal*. Chan has served as CFO at Twin Lakes for 10 years. He has positioned the community for an investment grade financial rating held by less than 10% of all CCRC's in the country while guiding TLC through \$40 million of expansion and capital replacement projects. When asked by the *Journal* what his biggest motivator is, Chan's response was, "the awesome responsibility we have to our residents."

# Life at the Lakes

*Mary Lynn Delany and Martha Wilson were just two of the many residents who enjoyed fun, fellowship and all the fixin's at TLC's annual 4th of July cookout.*

*Residents enjoy the fresh produce market at Twin Lakes provided by Peacehaven Community Farm. Peacehaven is a dream in the making for adults with intellectual and physical disabilities. It was inspired by parents of children with special needs. The farm is just one part of the ongoing project that ultimately is envisioned to be a permanent home for adults with disabilities.*

*One of the raffle prizes from the Auxiliary's fundraising gala was dinner for six prepared by resident gourmet cook, Linda Lafferty, and her husband, Bill. Faye Alexander was the lucky ticket holder, shown here with her fortunate friends enjoying their "utterly fabulous" meal and evening.*

*Marion Gardner hones her impressive artistic talents in a TLC painting class.*

*A 125 gallon saltwater fish tank was recently installed in Memory Care for the residents' enjoyment. An anonymous donor whose parents lived with a memory-related disease provided the gift in honor of staff and residents. The tank contains live coral, sea plants, and a variety of fish. Various sea anemones and clown fish will be added as the tank matures. The gift also includes maintenance of the tank.*

*Susan Rhyne and Hulda Frankenfeld have a good time at the tables during the Kentucky Derby-themed TLC Society dinner and festivities.*

## In The Eye of The Beholder...

Twin Lakes Community has over 200 acres filled with beautiful scenes such as swans floating on the lakes, colorful flowers in bloom, and landscaped pathways. Needless to say, a dying hickory tree does not accentuate the grounds, or does it?

Charles Harris, president of TLC, saw an opportunity. "Here was a huge hickory tree that became diseased and died, but rather than just cut it down we were able to recycle it and turn it into something very positive for our campus." Mr. and Mrs. Harris donated the funds to hire sculptors to carve the 10 foot hickory stump into a figure of St. Francis of Assisi, the patron saint of creation and environment. We thank both Charles and Sylvia Harris (right, pretending to carve the statue) for their years of service, commitment and for this wonderful gift that is a reflection of the care given to all at Twin Lakes Community.
